

Can You Please Help?

Our task is tremendous and we cannot do it alone. We need your help. The MISS Foundation has many opportunities for caring community members and businesses to help.

Volunteer

We can use many different talents to help us help others. If you have unique skills and are interested in volunteering, please contact info@missfoundation.org or call 623.979.1000.

In-Kind Donations

If you have a product or skill you can offer, please let us know. Printers, office supply companies, counselors, artists, editors, graphic designers, webmasters, accountants, and many other professionals can offer their time and in return receive credit as an in-kind donation.

Financial Donations, Grants, Endowments, and Sponsorships

Our greatest need is in funding. The MISS Foundation relies solely on private funding to maintain and expand our programs. We are an IRS recognized 501 (c) 3 corporation, so your personal or business donation is fully tax deductible. Because we are a very grass-roots, community based program, we make sure every dollar counts. Our average administrative cost is less than 7% of our annual budget! That is well below the national average of 25%. Please donate to one of the following MISS Foundation Programs and Services:

Name of Donor (person or business): _____

Amount of Donation: _____

Where would you like your donation to count?

- Children's Grief Program
- Low-Income Family Funeral Assistance
- Annual Conference Scholarships for Families
- Spanish Speaking Program
- Maternal Health, Research, and Risk Management
- Family Services Outreach General

Please send your donation to the MISS Foundation, PO Box 5333, Peoria, Arizona, 85385. Your financial support is much needed and greatly appreciated!
